Personal Introduction

The personal introduction competition will take place during the derby wear competition. You will give your personal introduction after walking in your derby wear. Your personal introduction should include your name, age, and your parents names/where you go to school.

Derby Wear

In the derby wear competition, you will be modeling your derby outfit or Sunday best. This can include a hat if you wish.

Formal Wear

The formal wear competition allows the contestants to dress up and practice poise and grace. For formal wear, consider a prom or homecoming dress. Wear something you would wear to a dance. This should be age appropriate. If you are doubting if it's age appropriate, it probably isn't.

Onstage questions

The on-stage question will be during the formal wear competition. After you finish with your formal wear modeling you will head to the emcee and answer a question. The on-stage questions will not be questions with right or wrong answers. They will be questions about you. Below are some examples but this is not an exact list of what can/will be asked.

What is your favorite color and why?

What is your favorite food and why?

What is your favorite animal and why?

What is your favorite class/subject in school and why?

Where is your favorite restaurant and why?

If you could go anywhere on vacation, where would you go and why?

What qualities do you look for in a friend and why?

What season do you like best and why?

What is your favorite part of living in Anderson County and why?
